SAN NICOLAS COMMUNITY PAPER

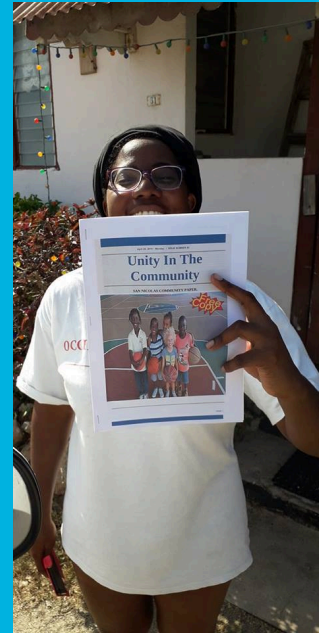

Not A Happy New Years For Some!

Employees received a termination package from the general manager Mr. Crawford with a deadline if they will accept this package, the refinery has been on idle for some time now, with the San Nicolas community uncertain of what's going on. Normally they say 2020 that's good vision, but some are not happy with what they are seeing at this time. Election time everyone was at the gates shouting and so call fighting for the people, but now have gone into a deep sleep while hundreds of families can't sleep with this uncertainty.
